

Code T

June 28, 2004

To: ALL PROSPECTIVE OFFERORS
From: Code TB/Contracting Officer
Subject: Amendment No. 1, Broad Agency Announcement (BAA)
04-01, Concept Exploration and Refinement (CE&R)

This BAA amendment reflects elimination of the requirement for a Certificate of Current Cost or Pricing Data based upon a determination of adequate price competition. The policy on Foreign Participation will remain unchanged for this BAA. This amendment reflects the extension previously announced for NOI submittal. In addition, the page requirements remain unchanged.

These and other changes by this amendment are delineated and noted by a vertical line in the right hand column.

The due date and time for submission of the proposal remains unchanged.

Receipt of amendments must be acknowledged in your proposal.

Refer all questions relative to this amendment to James W. Bailey at 202-358-1826 or james.bailey-1@hq.nasa.gov.
